

AFFC Equipment Hub - Rental Information

The AFFC Equipment Hub provides high-quality mobile film gear for filmmakers and content creators. Whether you're capturing interviews, producing short, feature length films, or creating social media content, our kit is designed to support your storytelling.

Available Equipment:

- iPhone 16 Pro Max
- Sandmarc Anamorphic and Telephoto lens
- Sandmarc Cinema Slider and Tripod
- 2 DJI microphones (Sound)
- Sandmarc Hybrid Filters
- DJI Gimbal
- Production Slate
- Color Gels
- Godox SL60BII with softbox and hood mount reflector.
- Light Stands

Rental Rates:

Ksh 20,000 per day for non AFFC members

Ksh 7,500 per day for AFFC members

Booking and Requirements

Bookings are made through Google Calendar, with a 50% deposit required at the time of booking. Renters must present a copy of a valid national ID and provide one referral contact. All rentals include a brief in-person orientation session.

Please note: Equipment is subject to availability, and early booking is recommended. A signed rental agreement is required at pickup.
